Privacy Policy

The Pi Tau Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated is committed and recognizes your need for protection and privacy issues on the Internet. In general, you can visit us at www.akasouthfield.com without telling us who you are or revealing anyinformation about yourself. We do collect Internet Protocol (IP) addresses and domain names of visitors for site administration purposes, such as to analyze this data for trends and statistics. No personal information is obtained. This data is used to customize our website content to deliver a better experience to our users.

Collecting Personally Identifiable Information

There are times when we may collect personal information from you. For example, in order to respond to your questions or fulfill your requests, it may be necessary to ask for personal information such as your name, e-mail address and/or telephone number. We may use this information to respond to your requests, or to contact you to inform you of events or announcements regarding our chapter. We will not provide this information to a third party without your permission, except as necessary to fulfill your request.

Links to Other Websites

Pi Tau Omega Chapter's website may contain links to other sites. These sites are not controlled by Pi Tau Omega Chapter and Pi Tau Omega Chapter is not responsible for any content contained on any such website. While we try to link only to sites that share our high standards and respect for privacy, we are not responsible for the privacy practices employed by other sites. As with our site, you should become familiar with any external party's privacy policy when visiting that site.

Your Consent

By using the website of Pi Tau Omega Chapter of the Alpha Kappa Alpha Sorority, Incorporated, you consent to our use of your information as described in this Privacy Policy. We reserve the right to change our Privacy Policy at any time without advance notice. Should any new policy go into effect, we will
post it on this site, and the policy will apply only to information connected thereafter.
